# BISCUIT BUNNIES FOR KIDS

Biscuit cakes in the shape of a Bunny in a new convenient package! A distinctive feature of this product is the packaging, named as TV-box.

Each cake has its own packaging with different image option a bunny (f. ex.: a football bunny, a schoolboy bunny, a scientist bunny, etc.), which sharply distinguishes the product from the “scattering” of confectionery products with a short shelf life. This design will certainly attract the attention of customers of all ages, highlighting the product on store shelves.

Thanks to the packaging, the product is convenient to use, practical and interesting. It's perfect as for family tea drinking and also as snack at school or some where else.

Biscuit cakes are produced in two of the most beloved and popular tastes: caramel and chocolate.
